

## **JSS SCIENCE AND TECHNOLOGY UNIVERSITY SIGNS MOU WITH SOUTHERN ILLINOIS UNIVERSITY, EDWARDSVILLE, USA**

JSS Science and Technology University and University (JSS S&TU) and Southern Illinois University, Edwardsville, USA (SIUE) recently signed a memorandum of understanding (MoU) to explore opportunities in areas of faculty development, student development and multi-disciplinary research.

SIUE provides high quality educational opportunities and serves consistent with the needs of the nation. It offers 30 master degrees and 40 undergraduate degree programs. It is accredited by the north Central association of colleges and secondary schools. SIUE campus is home to a diverse student body of more than 14,000 and over 400 international students from more than 50 countries attend in this university.

The MoU provides an opportunity for SIUE and JSS S&TU to collaborate and exchange expertise in common areas of interest, and allows for the exchange of academics and internships for students.
