Message from Mallikarjun S.Aradhya (Dean – Research)

Dear Sirs/Madams,

I am very happy that too many researchers and faculty called & congratulated me. They also informed me that synopsis is first of its kind and the best possible format available.

Thank you for your prompt and early action in this regard.

I strongly believe that a sincere efforts by all the researchers and guide in this regard will result in expected output which will result in better ranking that SJCE/JSSSTU deserve.

As I am unable to meet individually all the researchers and guide in person.

I wish to take this opportunity to thank all the researchers / faculty for their overwhelmed response.

With Warm Wishes

Mallikarjun S.Aradhya
