### **About Symposium**

This memorial symposium is hosted to offer tributes to these two excellent ex-HODs for their contributions to the family of Polymer science and technologists during their tenure.

The event would be participated by staff, students, alumni of PST, SJCE colleagues, personnel from the concerned industries and institutes. The activities would compass - a Panel discussion on “Automation- What lies for the future

Polymer Technologists & Engineers” along with several Technical presentations by domain experts from - Toyoda Gosei, Microplastics, Sundaram group, Kingfa materials, BASF India, JK Tyres, IRI, Mypol and others.

Late Dr. K. S. Jagadeesh  
PST HOD: Apr'91- Mar'95

Late Dr. G. M. Shashidhara  
PST HOD: Apr'95- Jan'17

The organizing committee invites you to participate in this event to make it a grand success. We have received various proposals from well wishing stakeholders like-

- Making a video to depict department of PST followed by contributions of Dr.KSJ & Dr.GMS.
- To start rewarding the meritorious student who is in need of financial support- in memory of Dr.KSJ & Dr.GMS.
- Sponsorships from willing alumni/ industries for above plans.

### **JSS Science & Technology University**

In accordance with GOK's Vision, JSSSTU was established in the year 2016 under JSSMVP with a vision 'to be an effective instrument in enhancement of knowledge in the society and thus the social transformation, through national focus, global reach and multidisciplinary approaches' (jssstuniv.in).

### **Sri Jayachamarajendra College of Engineering**

SJCE conceived in 1963, serves as one of the leading institutes in India, been recognized under Technical Education Quality Improvement Program (TEQIP), a World Bank assisted scheme & accredited by National Board of Accreditation (NBA). Institution has reputation of excellence in professionally oriented programs in extra-curricular activities (sjce.ac.in).

### **Department of Polymer Science and Technology**

Established in 1988-89. PST offers B.E., M.Tech., M.Sc (Engg.) by research & Ph.D., programs. PST is active in R&D producing more than 28 Ph.Ds & 450 research papers in reputed International Journals. PST has strong alumni rapport, good industry-institute interactions & offers a wealth of intellectual opportunities, both inside & outside the classroom through outcome based education. SJCE is the only institute in Karnataka offering technical degree in 'Polymer Science and Technology'. PST is the nodal point for Indian Plastics Institute (IPI) Mysuru chapter & Indian Rubber Institute (IRI), Karnataka Branch.
