

D4E NETWORK INDIA PRIVATE LIMITED, a Government of India recognized START UP enterprise to connect INDUSTRIES, INSTITUTIONS and INDIVIDUALS together, has developed a Mobile app by the name D4ECLUB. The Mobile App has been launched on 8th May 2018 at Chennai by Hon'ble Governor of Tamilnadu in the presence of Addl Secretary – MSME and Chairman AICTE.

D4ECLUB provides 20 different services such as Job / In-plant Training / Mentoring / Technical support / Start up Support etc. to over 10 different categories of MEMBERS such as INDUSTRIES / COLLEGES / TRADE BODIES / GOVERNMENT / STUDENTS / EXPERTS / TEACHERS etc. The Mobile App is free for all and is available for Android / iOS / DESKTOP VERSION.

AICTE has executed an MOU on 20th Aug 2018 with D4ECLUB – by which this Mob App services will be available free of cost to benefit all Engineering Students, Faculty and Institutions. For details, please refer to the copy of the MoU which is available in the AICTE website link https://www.aicte-india.org/sites/default/files/MoU_0.pdf.

In view of the foregoing, AICTE is hopeful that your Institute including the Students & Faculty members will take maximum advantage of the facilities available as per the MoU.
