

## JSS STU SIGNS MOU With Mercedes Benz Research and Development India

JSS Science & Technology University ( SJCE) signed an MOU with Mercedes Benz Research & Development India (MBRDI) recently. The main focus of this MOU was to encourage "Female students to take up Mechanical branch" in Engineering stream.

The company sponsored 12 female students by providing scholarship of INR 1,00,000/- each to aspiring 1<sup>st</sup> and 2<sup>nd</sup> year students from Bachelor of Engineering Industrial Production and Mechanical Engineering streams.

Mercedes encourages female students to take up Mechanical and other allied branches as their chosen career, for adding diversity to their workforce and also further to the Development of the selected female students through various interventions like internships, mentoring and other programs.

Additionally, these scholarship-selected students will get an Opportunity to work with MBRDI as Graduate Engineer Trainee (GET) through this program as per the given guidelines.

SJCE alumni **Mr. Prasanna Gonuguntla** (Sr.Vice President) and **Mr. Harshavardhan Kundalkar** (Deputy General Manager – Human Resources), Mercedes Benz Research and Development India, were present to sign the MOU from MBRDI.

Dr.B.G Sangamaeshwar - Vice Chancellor (JSSSTU) , Dr.Lokesh- Registrar of the university and Dr.T N Naghabushan - Principal SJCE were present to witness the MOU signing event at the university along with Mr.Pradeep - Placement Officer SJCE
