

Departmental Activities

The department of Biotechnology organizes Annual engineering event 'NEOGENE'. NEOGENE is an association of Biotech Engineers at SJCE. The above event intends to help and prepare upcoming biotech professionals for a better career. This program has been designed for students from diverse specialties to interact and compete in conquests and quests aiding in their preparation for the challenges they will face in their future. It will also showcase the talent that each individual holds through cultural events stage performance and the newsletter 'INSIGHT'. Neogene is an ingenious venture by the budding engineers of the department of Biotechnology, SJCE, to boldface their resolve to periodically rejuvenate and update them and their comrades with the elixir of competent biotechnicality. Numerous events such as special lectures, Industrial visits, technical quiz competition, Technical debate competition, Poster presentation competition, and Pitch an Idea were included in NEOGENE. The fest is also destined to organize a social awareness drive among people and bring about a social change.

Events held in NEOGENE fest 2016-17

Sl. No	Event	Description
1	Logo Quiz	Find to which company does the logo belong to
2	Pitch an Idea	Place where young scientists start to bud with their innovative ideas
3	Bio-Quiz	How much do you know about our core subject
4.	Food Festival	A platform for the students to display their culinary arts

NEOGENE inaugural function 2016-17

Participation in inter-institute events by students of the program of study (10)

Sl. No	Student Name	Semester	Event name and Date	Award
1.	Keerthana S.R. Vaishali Prasad Harshitha M Rhea Muthappa	VIII	National conference on disaster management and satellite environmental applications 19/03/2016 Organized by Siddaganga Institute of Technology, Tumkur	Best poster award
2.	Deepak T Devsenapathi	V	Bioquiz 2016, India Bio 2016 Organized by KBITS, Department of IT, BT, Govt. of Karnataka	1 ST place
3	Anchal Jain	V	Bioquiz competition organized	1 ST Place

	Ranjini M Sushmitha S P		by Ujjre institute of technology Feb, 2017	
4	Devasenapathi Ranjani SanihaMahaveer Deepak Torgal	VI	National seminar on entrepreneurial opportunities in Biotechnology (Poster presentation), 23-25 th March 2017	
5	Deepak Torgl Devasenapathi Pavan Kumar Srushti Sinchana	VII	Climate change quiz, Divecha Centre for climate change, IISC, Bangalore, 14 th Sep 2017
