

**SRI JAYACHAMARAJENDRA COLLEGE OF ENGINEERING, MYSORE – 570 006  
DEPARTMENT OF CIVIL ENGINEERING**

**INVITED LECTURES ARRANGED**

**2014-15**

<b>Sl. No.</b>	<b>Name of the Invited Speaker</b>	<b>Title of the Lecture delivered</b>	<b>Address of the Speaker</b>	<b>Date of the Lecture</b>
1	2	3	4	5
1.	Dr. Rajagopal	<ul style="list-style-type: none"> <li>• Moving beyond finite elements : Towards meshless Isogeometric analysis.</li> <li>• Nonlocal damage mechanics approach for modeling failure in materials.</li> <li>• A composite interface model for modeling failure in masonry.</li> </ul>	Professor, Department of Civil Engg. IIT Hyderabad, Hyderabad	03& 04.06.2015
2.	Dr. G.L. Sivakumar Babu	Engineering Properties of Land Fills	Professor, Geotechnical Engineering Division Department of Civil Engineering Indian Institute of Science Bengaluru -560012	27.03.2015
3.	Dr. V. Ramachandra	Advances in Finite Element Analysis in Structural Analysis	Zonal Head (Technical) UltraTech Cement Ltd, Industry House, 6th Floor, Fair Field Layout, 45 Race Course Road, Bengaluru - 560 001	27.03.2015
4.	Mr. Pavan Koushik	Sesimic Design	Structural Engineer, Harrison Grierson .Com, Newzeland	05.11.2014
5.	Prof. B.R. Srinivasa Murthy	“Practical Issues related with Geotechnical Engineering” (Prof. Srichand Endowment Lecture)	Professor (Retd.), IISc., Bengaluru,	23.09.2014
6.	Prof. C.V.R. Murthy	“Ensuring Earthquake Safety in India- Role of Engineers” (First K.N Subramaniah Memorial Endowment Lecture)	Director, Indian Institute of Technology Jodhapur	16.08.2014
