

Department of Civil Engineering
JSS Science and Technology University, Mysuru 570 006
(formerly Sri Jayachamarajendra College of Engineering)

Civil Engineering Association

Present day engineers are expected to be multifaceted personalities. In addition to academics, the engineering students should develop soft skills to manage this challenging world. Civil Engineering Association (CEA) was started by the department of Civil Engineering to provide a platform to the students of civil engineering to develop soft skills and to exhibit their special talents.

Through CEA, the department organises cultural, literary, sports & art related activities and competitions and special technical lectures from eminent personalities. CEA also arranges field visits to ongoing and existing projects and to the places of civil engineering importance.

Shilpi, the student wing of Builders Association of India, Mysore Center, is also a part of CEA. The Civil Engineering Association at SJCE, Mysuru has the following structure.

- Staff Coordinator: Sri. V. Madhava Rao

- Sports sub-committee : Dr. R. Satish
- Cultural sub-committee : Dr. K.S. Manjunath
- Literary sub-committee : Smt. Roopanjali S.
- SJCE-Shilpi staff coordinator : Sri. H.M. Mahendra Kumar
