Theme of the event was to showcase India's exemplary achievements in the last 75 years.</p> <p>The following achievements are remarkable and worth mentioning as a milestone in Indian history.</p> <p>THE WHITE REVOLUTION</p> <p>The revolution was associated with a sharp increase in milk production in the country and also called as Operation Flood. White revolution period intended to make India a self-dependent nation in milk production. Today, India is the world's largest producer of milk.
